Dear Colonel McMahan:

This is in reply to your letter of 15 August 1967 in which you requested that CIA provide your office with a magnetic tape and printed listing of boundaries for villages in the Republic of Vietnam.

As agreed upon at the meeting on 7 August, we are undertaking an experimental project on one province to determine the feasibility of the total requirement. We estimate that results will be available by approximately 8 September 1967.

It is suggested that a second meeting of those persons concerned with this project be called in early September to evaluate the results and determine the future course of the project. [redacted] of our Cartographic Office, will arrange the meeting. STATINTL

Sincerely yours,

(signed)
